

ACCESSIBILITY

We are committed to accessible services for all.

Please contact a staff member about your specific needs so that we can best accommodate you and ensure that our services are accessible to you.

If you speak another language, we will arrange interpretation for you at no cost through our Language Line, which interprets over 200 languages.

- To indicate which language you speak, please use our [Language Identification Card](#). *Tell us which language you speak by saying the language and/or telling us the corresponding number (#).*

(NOTE: the link to the Language Identification Card is broken here. Where can we find this information?)

If you are deaf or hard of hearing, we are happy to communicate via MN Relay Service 711 or 1-800-627-3529, or to have a sign language interpreter present to provide services.

If you are blind or hard of sight, we will enlarge our materials, provide a reader, or provide materials to you in advance of our meetings.

If you have mobility impairments, we will adjust our meeting location or make other accommodations to meet your needs.

If you have any other impairment or disability you would like us to consider so that you may better access our services, we are happy to oblige.

Our office welcomes your companion and service animal.
